

The background is a collage of various academic and scientific motifs. On the left, there's a purple-toned image of two people, a man and a woman, in a close embrace, possibly dancing or in a physical education pose. Above them is a square icon with a globe and an arrow. On the right, there's a large, detailed image of a camera lens. Below the lens, there's a green-toned image of a line graph with data points. The entire background is overlaid with a red-to-purple gradient and geometric shapes like diamonds and squares.
