College Complete™

With College Complete, libraries can offer an affordable, critical mass of over 60,000 multi-disciplinary ebooks. Available on the Ebook Central platform, a SIIA CODiE finalist for Best Scholarly Research Information Solution, this subscription offers unlimited, multi-user access and DRM-free chapter downloads.
College Complete covers all academic subject areas and facilitates teaching, learning and research outcomes in 2-year and 4-year colleges. Libraries will gain access to content in traditional disciplines like business, management and nursing; emerging areas like artificial intelligence (AI) and entrepreneurship; and topics to support in-demand trade jobs and skills like advanced manufacturing, engineering, construction and healthcare.

College Complete Key Facts:

- Over **60,300 titles,** hand-selected for quality over quantity
- Over **9,800 fully DRM-free** titles
- Content from over **140 University Presses**
- **10,500+ notable titles** from CHOICE, Resources for College Libraries, DOODY's and the Book Citation Index
- Curated by a team of **in-house librarians**
