ProQuest Historical Newspapers: U.S. State Collections
Get the Scoop on Local and State History

Explore small-town reactions to global events. Access centuries of birth, death and marriage records.

Discover unique local perspectives and reactions to global events, along with centuries of vital birth, death, and marriage records. Dive into the heart of local and state news, essential for research, history, and genealogy—much unreported in national and international dailies.

ProQuest Historical Newspapers: U.S. State Collections include 34 State Collections, each featuring key titles covering a specific state in the United States. Access these collections to provide your users with insights into everything from local government decisions to historic moments that may not have been reported anywhere else.

The U.S. State Collections seamlessly integrate with other ProQuest resources, enhancing academic research by supplementing it with valuable primary sources.
