

A photograph of a classroom setting. In the foreground, two female students are looking at a laptop. The student on the left has curly hair in a high ponytail, wears red-rimmed glasses and a red and white plaid shirt. The student on the right has dark hair and wears a grey sweater with red headphones around her neck. In the background, other students are seated at desks with laptops, and a window is visible on the right side.

Schools & Educators Complete™

Unlock a world of knowledge for students and educators with popular ebooks.

K-12 libraries are navigating tighter budgets, increasing digital demands and the need to support both student success and teacher development.

Schools & Educators Complete is an affordable, comprehensive ebook subscription delivering thousands of high-quality titles from leading publishers with unlimited, multi-user access.

This robust collection seamlessly aligns with school curricula, featuring classic literary works, essential historical documents, and vital reference materials to enrich learning for students and educators alike.

17,000+

**MULTI-DISCIPLINARY EBOOKS* OFFERING
A WEALTH OF CONTENT FOR BOTH
STUDENTS AND EDUCATORS.**

What sets us apart?

Benefits to students:

Anytime, Anywhere Access

Students and educators get unlimited, multi-user access to expertly curated ebooks in history, science, technology, literature, education and more. With a constantly growing selection* of trending titles, they can stay up to date with essential resources for coursework, research, teaching and curriculum-planning.

Seamless User Experience

Ebook Central is built for effortless access with a mobile-friendly platform, intuitive navigation, and DRM-free ebooks for easy downloading, printing, and sharing. Research tools like bookmarking, highlighting, and note-taking enhance the user experience, while seamless integration supports discovery layers and MARC records.

Benefits to libraries:

Curated for Excellence

Save time identifying and acquiring the most relevant K-12 content with an expertly curated ebook subscription featuring notable titles recognized by CHOICE, Library Journal and RCL from top educational publishers, university presses, and professional organizations, including Teacher Created Materials, Association for Supervision and Curriculum Development, Lerner, Greenhaven, ABDO, Classroom Complete Press and Solution Tree.

Expert Support

Meet the growing demand for ebooks with a budget-friendly collection that provides equitable learning opportunities for all. Our expert team understands your needs and can provide dedicated support every step of the way, helping you maximize the value of your investment.

**5% annual content growth.*

Transform learning today

We believe that access to quality content should be seamless, affordable, and designed with educators and students in mind.

Our expert librarians curated the Schools & Educators Complete ebook subscription to maximize value, ensuring libraries get the most relevant, high-impact resources to support K-12 education.

Looking for more ebook content?
