ProQuest History Vault consists of manuscript and archival collections digitized in partnership with a wide variety of archival institutions. Many of the collections in History Vault were originally available in microfilm from the University Publications of America (UPA) research collections, and others come from the University Microfilms International (UMI) research collections, with additional collections scanned from the original documents. ProQuest History Vault debuted in 2011 with about three million pages of material and will grow to **over 23.8 million pages with 67 different modules in 2023**. These millions of pages of important archival collections give students the opportunity to make new research discoveries in content areas like Southern Life, Slavery, and the Civil War; Civil Rights and the Black Freedom Struggle in the 20th Century; Women’s Studies; American Politics and Society; and International Relations and Military Conflicts.

**Better together. Give your students a comprehensive view into American history with these complementary primary-source collections:**

- American Civil War Letters & Diaries
- American Periodical Series
- Digital National Security Archive
- Historical Statistical Abstracts of the United States
- North American Indian Thought & Culture
- ProQuest Congressional
- ProQuest Historical Newspapers
- Trench Journals and Unit Magazines of the First World War
- Women and Social Movements in the U.S.

**Deepen research and learning in history with access to a mix of content, including video, ebooks and more:**

- Academic Video Online
- American History in Video
- Ebooks spanning studies in history, social sciences, and more

“ProQuest’s History Vault is a trip through time,” writes Jason Martin for ccAdvisor. It is an archive of digitized federal government records, private organizations’ records, and personal papers.
