

ProQuest is excited to announce the availability of your Library Stats from Syndetic Solutions. With this new improvement you can view your library stats at any time.

- Hover over the login at the top right of the page.
- Enter your client code as your username and password. You will be prompted to change your password after you click login.
- Once you have changed your password, you will be directed to the main stats page, which contains a graph of your user data, as well as a tab to your Library Profile.

The screenshot shows the ProQuest Syndetic Solutions website. At the top right, there is a 'Login | Contact' link. Below it is a login form with fields for 'Username' and 'Password', a 'SIGN IN' button, and a 'Forgot Password?' link. The main navigation menu includes 'Overview', 'FAQs', 'Enrichment Elements', 'Compatible Systems', and 'Companion Products'. The main content area features a large image of a smiling woman with the text 'WE BRING YOUR CATALOG TO LIFE.' Below this are three sections: 'Enrichment Elements' (with a Facebook app icon), 'Compatible Systems' (with a school bus icon), and 'Companion Products' (with a pyramid icon). At the bottom, there is a 'Get Started' button and a footer with the ProQuest logo.

Clicking on the Details link will take you to the Monthly Report, which displays usage counts by element
